#2024

It was the best summer of my life

“การได้ฝึกงานที่ญี่ปุ่นเป็นประสบการณ์ที่ยอดเยี่ยมมาก พี่เลี้ยงดูแลดีและช่วยแนะนำตลอด โครงการนี้ทำให้ผมได้เข้าใจการทำงานจริง และพัฒนาตัวเองไปอีกขั้น”

-ผู้เข้าร่วมโครงการ

- ผู้ปกครอง ผู้เข้าร่วมโครงการ

As a parent, I was initially worried about sending my child abroad for the first time. But Japan Talent 2025 exceeded all my expectations. The program's safety measures, from a strict curfew to daily updates from the caretakers, gave me peace of mind. My child came back more confident, independent, and inspired. The recommendation letter they received from the host company has already opened doors for their university applications. I'm so grateful for this life-changing opportunity."

-an Intern, Bangkok

This experience boosted my university application

Joining Japan Talent 2024 was the best decision I've ever made. Working in a Japanese company taught me how to adapt, communicate, and problem-solve in a real-world setting. The coaching sessions with Thai and Japanese executives were incredibly inspiring, and presenting my project to actual CEOs was a moment I'll never forget. This experience not only boosted my skills but also gave me the confidence to dream bigger.

This isn't just a summer trip—it's a transformative experience. What Awaits You in Japan?
